This section has the worksheets for your “Manners” theme. Worksheets are theme related and also include the letter X, number 6, shape heart and color purple. There are enough sheets to do several a day. This depends on if you would like the theme to run 1 or 2 weeks. Pick and choose the sheets you wish to use each day and print up.

Don’t feel bad if you don’t use all the sheets. Alternate and use different sheets the following year.
Parents are their children’s first teachers. To make parents more involved with their child/ren’s learning, print up 1 or more sheets to send home each week on Friday.

If using Friday Folders each week, place pages on the left hand side. Label the left side of the Friday Folder “Parent Activities”.

Children love to color. These sheets will give them the opportunity to do that, while learning. They will be using their small motor muscles, literacy and math skills, depending on what sheets you print up.
Don’t interrupt!
Say, “Excuse me, please!”
That was a "beary" nice thing you did.

THANK YOU!

Ye-haw!

It’s fun using your manners!
When I play with my friends I like to share. This shows everyone how much I care.
When I sit down to the table and eat my yummy food. I make sure I thank who prepared the meal. That’s the polite thing to do.
When I ask for something, no matter how small, I always say “Please” That’s the best word of all.
Using my manners makes me have a GREAT day!
I like to put my toys away. It’s a fun thing to do. It makes other people happy, and very proud of you.
Remember to be polite to others at child care and play. It’s fun to use your manners everyday!
My Manners
Counting Book

Print up the counting sheets (1 set per child). Trim, place sheets in order and staple together to make a book. Let the children count and color.
