<b>Behavior</b> (Describe the behavior - are the screams short or continuous, is the child smiling or crying, is he reaching for something, is he looking at someone?)	<b>Consequence</b> (What happened after the scream - did a family member attend to him, yell to stop, try to play, attempt to comfort, or give him something?"	Determination – the reason Write down later if you think this looks like an attempt to communicate for something, to get someone's attention, or to hear the sounds. Your reasons may overlap.
