

The INTERNET is forever!

—→ **Everything you post online can NEVER be erased.** ←—

Others can EASILY share what you post online...even if you don't want them to!

Remember DO practice safe internet behaviors.

DO NOT post private information online (PRIVATE means things like your address, phone number, information about money or bank account, social security number, naked pictures, and other things people can use to find you and hurt you).

DO NOT post pictures of yourself without clothes online.

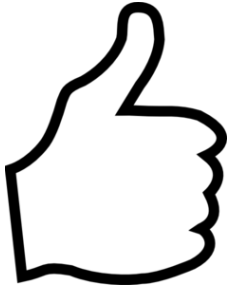

DO NOT expect others to keep your information safe.

DO NOT share others' information without their permission.
