

Ms. Wolfson (Classroom 148)

Weekly check-in + Schedule for week of April 24th, 2020 **AND**
week of May 4th, 2020.

Hi everyone!! I hope this letter finds you and your family doing well! Please read through the following information to find out how we will be completing virtual instruction for this week. 😊

My office hours will be Monday, Tuesday, and Thursday from 11:00am-12:00pm, as well as on Wednesday from 12:00pm.-1:00pm. During these times, I will be available by phone to address any questions or concerns regarding the virtual instruction work. I will also be reaching out during these times by phone once a week for any additional questions or assistance. Remember, I am also always available by email at mwolfson@thewatsoninstitute-fa.org, or by phone at 412-407-5307 (You can even text me at this number). Good luck!

Virtual Instruction

Virtual instruction will be a combination of both video and work that I have uploaded for you to use. I will be uploading 3 videos each week. Each video will go along with an activity that is included within the weekly uploaded work packet. (P.S. I will let you know which work goes with each video at the start of the video.) If you cannot print the files, or don't have access to the physical document, simply just write down the answers in a notebook or on a sheet of paper.

Read Alouds

One of my videos each week will be a read aloud. We read a TON of books throughout the year, and also watched a lot of read alouds on our smart board. I would love to continue providing you with a read aloud each week. Each read

aloud video will go along with an uploaded worksheet – so please be on the lookout for that in my uploaded work packet!

If you want additional read alouds, you can also access them on YouTube by searching: Read aloud for children. Our favorite channel is Storytime at Awnie's House: <https://www.youtube.com/channel/UCbqmqj1hzxuAXsjk08k-KP6w>

Writing Prompts

Along with the weekly work, I would love for all of you to complete a daily writing prompt so that you can practice your writing skills at home! While we were in school, we were practicing writing complete, full sentences with capital letters and periods at the end. Please continue to practice writing at least 1 complete full sentence based on the writing prompts that I give you. Let's master these writing skills!!
