

Student Sample Schedule Cover Page:

- Please understand that this is a sample schedule ONLY. Your child's specific classroom schedule will be coming to you from the teacher.
- This sample student schedule is based on a student who has Occupational and Speech Therapy as related services.
- Other live sessions scheduled into your child's day *may* include: PT, Vision, Behavior Group, and Social Skills Group.
- All live sessions will be recorded in the event that the student cannot join at that time.
- These schedules will be sent out in advance to allow sufficient preparation time.
- You will be provided a new schedule each week.
- Please direct any questions to your classroom teacher.

Recommended Lesson Materials: Bingo daubers (paint or crayons work too), paper plate, scissors, glue, leisure break item choice (see list below), sensory break choice materials (see list below), gross motor choice equipment (see list below), goal work materials, and item symbolizing favorite summer activity.					

Daily Preparation: Get to a quiet area that has access to the computer. Please have all equipment and any recommended lesson materials. Morning toileting/hygiene can be completed during this time as well.

Morning Meeting: This will be a whole group live lesson and you will follow the link in your schedule to join our morning meeting. During morning meeting, we will learn about pre-academic concepts and practice other skills including socialization, attending to the activity, and using our communication devices.

1:1 Goal Time: This will be one-on-one instruction with teacher and the classroom assistants. We will be working on student specific goal work for this 30-minute session so please have any recommended goal work materials available as well.

Home Activity: Your child's teacher will provide activities that are appropriate for them. These could include workbins, folders, worksheets, websites, crafts, and educational videos. These will be assigned by the teams and supplemental materials may be sent home if needed.

Hygiene- Practice appropriate hygiene skills including hand washing, face wiping, hair brushing, and mask wearing practice during this time. Visual schedules and various resources will be provided to guide through this time.

Lunch- Practice appropriate feeding skills at this time. This could include setting the table, preparing the food, utilizing utensils, and cleaning up.

Leisure Break- Choose your favorite leisure activity for this time of the day. This would be the time that we would have recess at school.

Home Activity: Your child's teacher will provide activities that are appropriate for them. These could include workbins, folders, worksheets, websites, crafts, and educational videos. These will be assigned by the teams and supplemental materials may be sent home if needed.

Sensory Break Options: texture bin exploration, jumping on exercise ball or trampoline, heavy work, weighted backpack walks, bike rides, etc. Direction will be given by the team.

Large Group: These live groups will be whole group lessons during which all students will participate together. These will be led by teacher and/or therapists.

Gross Motor Break Options: Bike ride, walks, playing on swing set, walking in stander, etc. Direction will be given by the team.
