

WATSON INSTITUTE LEAP PRESCHOOL

The Watson Institute LEAP Preschool (Learning Experiences: an Alternative Program for preschoolers and Parents) offers a supportive learning environment for 3 to 5 year-olds to learn alongside peers with autism.

WHY CHOOSE LEAP?

- Small classrooms of no more than 12 students in a room
- Half-day programs and a limited number of full-day sessions are available
- Our highly trained educators, therapists, and support staff get to know your child and keep you informed of their day-to-day progress
- LEAP operates year-round, including an optional summer session
- Your child will learn empathy, leadership skills, and social skills as they help their peers learn and grow!
- We prepare preschoolers academically and developmentally for their transition to Kindergarten
- Support for families through a Family Service Coordinator
- Enrichment activities including take-home activities, community partnerships, and more!

**ROLLING ENROLLMENT MEANS
YOU CAN ENROLL YOUR CHILD
AS SOON AS THEY TURN 3!**

"My youngest has bloomed into such a social butterfly. He went from not talking to anyone to forming sentences and saying hello to everyone we pass."
